

ASSOCIATION PROFILE

New England is region steeped in history and tradition among beautiful and diverse landscapes. For more than 120 years, the New England Park Association has been serving and uniting outdoor professionals in this unique region. Members exchange information and have the opportunity to develop knowledge and skills that make New England a better place to live, work, play, and enjoy. As the oldest association in America, NEPA offers a proud legacy and tradition of assisting association membership to provide quality public and private facilities throughout the six state New England region.
